## Step 3 Yoga Therapy Certificate Program

# Step 3 Program Overview

## Honoring the teachings of in the tradition of T. Krishnamacharya and TKV Desikachar

The Surya Chandra Healing Yoga School Yoga Therapy Certificate Program is based on and honors the teachings in the lineage of Krishnamacharya and Mr. TKV Desikachar. This program is built on the standards set by the International Association of Yoga Therapists and upholds those set by the Yoga Alliance for 500-Hour Registered Yoga Teachers.

This program advances the concepts and tools of Yoga Therapy learned in Step 2 - preparing students to use all the tools of Yoga therapy in the treatment of more complex body-mind-spirit imbalances. Students continue to work with individual clients (under looser supervision of their Faculty-Mentor), using all the tools and knowledge learned throughout the program. Graduates are Certified Yoga Therapists and may apply for C-IAYT status with the International Association of Yoga Therapists.
